Erasmus+ Programme Inclusion Support;

Erasmus+ promotes the participation of people with special needs in the programme. People whose physical, mental or health-related conditions are such that their participation in Erasmus+ would not be possible without extra financial support are potential participants.

Students must submit their request including the report for Erasmus+ Additional Grant to the Erasmus+ Office (For instance, if they request an Additional Grant Support due to a disability, they must attach the medical report (the report must be issued within 3 months before the application) which includes the necessary information about the disability and the level of the disability, or a copy of their disability ID card. A medical report is also required for those with chronic diseases.)

Once found eligible, students must attach the necessary documents (including that the receiving higher education institution is informed of the guest student/staff member is a participant with special needs and the institution's undertaking that it has the necessary equipment to host the participant with special needs) to the form. The additional grant amounts and the grounds for such request must be explained in detail in the form as requested.

Important Note: The documents required in the relevant article must be uploaded to the application system. Documents submitted after the application will not be evaluated.

Quota;

Students are ranked according to their total scores and placed in accordance with their preference lists and quotas of the universities. **The 2023 project application made by our university has not been finalized yet, and the amount of grant to be allocated to our university has not been finalized.**After the quotas are announced, the Erasmus+ Evaluation Commission will distribute a quota of at most one person to each faculty and vocational college.

In addition, grant payments to the participants who will make mobility with grants can be made after the budget transfer to be made following the grant agreement to be signed between the Turkish National Agency and our University.

After the grant to be allocated to our university by the Turkish National Agency is announced; Based on the Senate decision dated 15.06.2022 and numbered 2022/55-3, the following faculties were prioritized for the fair distribution of the grant.

1. Faculty with a large number of English departments

2. Faculty with a large number of students

3. Faculties/vocational school with a large number of departments/programmes

Waitlisted students (unable to receive a grant) can participate in the mobility with “0” grants (without grants) within the quotas of the universities we have agreement with.

Erasmus+ Student Mobility; Students who are eligible to receive a grant as part of the Erasmus+ Student Mobility for Studies can receive a grant for only one academic term (a maximum of 6 months). If they wish, they can benefit from the mobility in the following academic term without a grant, for which they need approval from the receiving institution and our university.

Erasmus+ Learning ve Internship Mobility; Can be done up to a total of 12 months in each education level (associate degree, bachelor's degree). The total mobility period (study + internship) in each level cannot exceed 12 months.

Monthly Amounts of Grant Based on the Countries Travelled within the scope of the 2022 Erasmus Project.

Grants are given to students to help them with additional expenses arising from being abroad during their activity abroad. Grants are only a contribution, not intended to cover the full costs of the student's mobility.
